

REMARKS

As originally filed, claims 11-16 did not comply with the multiple dependent claim style specified by U.S. law. The amendments submitted above have been made to delete all multiple dependencies and place the claims in better condition for U.S. prosecution. It is submitted that no new matter has been added by way of these amendments.

It is respectfully requested that the above amendments be entered before an action on the merits is issued.

Respectfully submitted,
